Lab use only	Sample I.D.	Forage Type	Test	Animal Code*
<i>Example</i>	<i>North 40-2nd cutting</i>	<i>Bermuda</i>	<i>E</i>	<i>3, 18, 38</i>

*See reverse for animal codes. Available only with roughages requesting Tests E, F, G, H, I, and J.

Test	Description
A	Crude Protein Only
B	Nitrate (NO3)
C	Crude Protein and macro minerals (Ca, P, K, Mg)
D	Crude Protein and all minerals (Ca, P, K, Mg, Zn, Fe, Mn, Cu, S)
E	Crude Protein, ADF (TDN)
F	Crude Protein, ADF (TDN) and NDF
G	Crude Protein, ADF (TDN), NDF and all minerals
H	Crude Protein, ADF (TDN), NDF and all macro minerals
I	Crude Protein, ADF (TDN) and Nitrate (NO3)
J	Crude Protein, ADF (TDN), Crude Fiber, Ash, Crude Fat (Proximate Analysis)

The current test analysis prices can be found on our website, www.noble.org/ag/services/testing or contact Noble Research Institute Testing Services Department at 580-224-6480.

All analyses performed by Servi-Tech Laboratory, 6921 South Bell, Amarillo, TX 79109, 806-677-0093. Servi-Tech Laboratory will bill you for analysis services. Noble Research Institute accepts no money for testing services.

Customized supplement recommendations are available for the following animals. Please select the animals you would like recommendations for and enter the corresponding code number on the front of this form.

Mature Cow	Weight	Code
Middle gestation (6-9 mo. after calving)	1000	1
	1100	2
	1200	3
	1300	4
	1400	5
Late gestation (9-12 mo. after calving)	1000	6
	1100	7
	1200	8
	1300	9
	1400	10
Early lactation (1-3 mo. after calving) average milk	1000	11
	1100	12
	1200	13
	1300	14
	1400	15
Superior milk	1000	16
	1100	17
	1200	18
	1300	19
	1400	20
Late lactation (3-6 mo. after calving) average milk	1000	21
	1100	22
	1200	23
	1300	24
	1400	25
Superior milk	1000	26
	1100	27
	1200	28
	1300	29
	1400	30

Mature Bull	Weight	Desired ADG	Code
Regain body condition	1400	1.25	31
	1500	1.25	32
	1750	0.50	33
Maintenance	2000	0.00	34
	2200	0.00	35
Yearling bred heifer	Weight	Desired ADG	Code
Late gestation	700	1.00	36
	750	1.00	37
	800	1.00	38
	850	1.00	39
	900	1.00	40
	950	1.00	41
	700	1.75	42
	750	1.75	43
	800	1.75	44
	850	1.75	45
	900	1.75	46
	950	1.75	47
Two-year-old heifer	Weight	Desired ADG	Code
Early lactation	700	0.50	48
	750	0.50	49
	800	0.50	50
	850	0.50	51
	900	0.50	52
	950	0.50	53

Average milking beef breeds are Angus, Hereford, Charolais, Limousin, Brangus, etc.
